I (we) further agree that it is my (our) responsibility to ascertain that this dog is physically sound and free from any condition that would prevent or limit its participation in this class.

Attendance at a dog obedience class is not without risk to you, members of your family, guests or your dog, because some of the dogs to which you may be exposed may be unpredictable, even when handled with the greatest of care. By signing the above agreement, you are waiving DOTC, BRC and their members or volunteers from any liability for damage, injury or loss that you, your family, guest or dog may suffer.

For the protection of your dog, DOTC **REQUIRES** that dogs must have a current immunization against DHLPP as stated in the above agreement. We also **RECOMMEND** that dogs in training be immunized against Coronavirus and Bordetella. Please discuss these options with us or with your vet.

Dogs that present a threat to other dogs, handlers or instructors or that consistently disrupt the proper training environment will be asked to discontinue the class and their fee will be refunded on a prorated basis. Such a decision will be made by the instructors and/or the Training Director(s).
