HOLD HARMLESS AGREEMENT

I (we) agree that the Dog Owners Training Club of Lynchburg (the Club) holding this training class has the right to refuse this application for cause which the club shall deem to be sufficient. In consideration of the acceptance of this application, I (we) agree to hold this Club and the Boonsboro Ruritan Club (BRC, owner of property), its members, directors, officers, instructors, and any employees of the aforementioned parties, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the training premises or grounds or near any entrance thereto, and I (we) further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, damage, or injury to the dog, whether such loss, disappearance, theft, damage, or injury be caused or alleged to be caused by the negligence of the club or any of the parties aforementioned, or by any other cause or causes.

I (we) further agree that it is my (our) responsibility to ascertain that this dog is physically sound and free from any condition that would prevent or limit its participation in this class.

I understand that attendance at a dog obedience class is not without risk to you, members of your family, guests or your dog, because some of the dogs to which you may be exposed may be unpredictable, even when handled with the greatest of care. By signing the above agreement, you are releasing DOTC, BRC and their members or volunteers from any liability for damage, injury or loss that you, your family, guest or dog may suffer.

Dogs that present a threat to other dogs, handlers or instructors or that consistently disrupt the training environment will be asked to discontinue the class. Training class fees are not refunded, transferred or prorated. The decision for a dog to be removed from class will be at the discretion of the training director with approval of the Board.

Approved Training Equipment includes, but is not limited to:

Leashes: 6 foot cotton web leash is recommended; nylon or leather is acceptable. (No chain leashes)

Collars: Nylon snap around training collar is recommended, fitting snugly behind the ears.

Other acceptable collars are prong collars, buckle collars, martingale collars.

Questions about approved training equipment should be directed to the Training Director.

Training Rules:

1. Clean up after your dog, both inside the training building and outside in the grass. Deposit dog waste in the bucket outside. Failure to do so may result in forfeiture of training privileges without refund of your training fees.
2. Objects of attraction such as food treats, toys, balls may be used in training. Pick up all dropped food treats, and be considerate in your use of toys so that they do not unreasonably distract other dogs being trained.
3. Excessively harsh or inhumane verbal or physical corrections are not allowed in the classes. They disrupt the positive training atmosphere for the other dogs in the class.
4. Do not leave your dog in a "long stay" that is not being actively trained and monitored. If you need to leave your dog for any reason, please bring a crate to contain your dog, have someone hold your leash or put your dog back in your car for the time you need to be without your dog.

Keep your dog on a short leash as you enter and exit the building and when in the parking lot. Constantly be aware of your dog's interactions with other people and other dogs so that you can prevent problems before they occur. Break eye contact by turning your dog away from the problem.

Any children not directly involved in the training classes must be under control, away from the training rings and not disruptive to the classes while inside the training building.

PLEASE COMPLETE PAGE #3 of this application and return to DOTC.
